

THE PROBLEM:

27 million slaves are in the world today

THE SOLUTION:

Slavery can end in our lifetime

Everyone has a role to play

WHAT WE DO:

Free the Slaves **liberates slaves** around the world and helps survivors of **slavery** rebuild their lives.

We research real world solutions to **eradicate slavery forever** and fight the systems that allow slavery to exist.

We use world class research and compelling stories from the frontlines to show that **slavery can end**.

WHAT YOU CAN DO:

EDUCATE YOURSELF

Learn the issues then ACT

DONATE TODAY

Give the gift of freedom

SPREAD THE WORD

Do your part to raise awareness

BUY FREE

Every day, we unknowingly buy into slavery. **Slave labor** has been found in **supply chains** of **clothes, computers, cell phones, chocolate** and **cars**. More work must be done before supply chains are transparent. But here's what you can do right now: **Buy products** we know re **slave free**, like:

Fair trade, organic and direct trade CHOCOLATE

Sweat shop free clothes made from organic COTTON

Fair trade and direct trade COFFEE

SLAVERY IN YOUR OWN BACKYARD

Every year, **thousands** are brought into the **United States** to be used as **slaves**. It's estimated that **thousands** of **U.S. citizens** are **enslaved** within our borders.

SLAVES WORK AS:

Domestic servants | Sweatshop workers | Beggars
Restaurant workers | Migrant laborers | Janitors
Hotel or tourist industry workers | Sex slaves

HERE ARE SIGNS THAT SOMEONE MAY BE ENSLAVED

- Unable to leave their job
- Does not control their earnings
- Unable to move freely or is being watched or followed
- Is afraid to speak in the presence of others
- Shows signs of being assaulted
- Passports and other documents have been taken away
- Has been cheated into payment of debt

REPORT WHAT YOU SEE TO THE NATIONAL TRAFFICKING HOTLINE

1 888 3737 888

If you suspect that someone is being enslaved, **DON'T INTERVENE**. Doing so can prove harmful to the victim and yourself
